Mountain Top Construction, LLC's purpose for being in existence is to provide a means for serving God. It is currently owned by two brothers with a vision to provide customers with quality exterior finishing products and services. Maintaining a reputation of upstanding business ethics is our highest priority. We strive to supply our customers with employees that care about the quality of their work and are knowledgeable in selecting the products that will fit unique customer needs. We are based in Lancaster County Pennsylvania striving to bring Lancaster County craftsmanship to you.
